

Fine girl, why are you shy?  
Let's get along, no time, this your body must be mine  
So make we link up tonight, oh  
Tasty, melanin type, dripping and you no need eyes  
Bad girl, you are so fine, so make we link up tonight

Your body, it's all for me, body, it's all for me  
Body, it's all for me, body, it's all for me  
Your body, it's all for me, body, it's all for me  
Body, it's all for me, your body, it's all for me, eh

See me when I come on my own too  
We go dey together, thought I told you so  
I don't really care what they say about me  
I don't really care what they say about you

See me when I come dey hustle  
Girl, your body bad, I go tame you, oh  
I don't really care what they say about me  
I don't really care what they say about you

Body like a Maserati, girl, I wanna drive  
Thick thighs, Visa, catch flights, peace sign  
Make you wanna come inside, yeah

Your body, it's all for me, body, it's all for me  
Body, it's all for me, body, it's all for me  
Your body, it's all for me, body, it's all for me  
Body, it's all for me, your body, it's all for me

I'm looking for your love and affection  
We go dey another dimension, oh  
Only you go get my attention  
Forgetting all the names in my mention, oh

Omo, we be perfect combination  
You go be the mother to my nation  
All I ever wanted was some good luck  
Now you wey go tame me to be patient, yeah

Body like a, like a delicacy  
Come around, baby, what's your fantasy?  
Come through, what's my legacy?  
Open your panties, let me come see

Melanin pop from West Africa  
Na wayo ojuju you do me so  
If I mess up, my girl can come, she go kill you, oh

Your body, it's all for me, body, it's all for me  
Body, it's all for me, body, it's all for me  
Your body, it's all for me, body, it's all for me  
Body, it's all for me, your body, it's all for me
