Gey gey, gey gey (ay)  
Gey gey, gey gey (ay)

Gey gey, gey gey (ay)  
Gey gey, gey gey (ay)  
(Marvi again!)  
Baddest

I want to have it all  
Still dey find my result  
Na God dey bless me all the way  
Twelve years, I'm still on top  
And my cup runneth over  
I get days I sober  
Oh, I sober  
My baby, we start older

Holy sign  
Fast forward, no rewind  
We going high with family for my side, oh (Yea ay yeah)  
No be fight (Yeah, yeah)  
No be everybody dey my side (Oh, I know, oh)  
But I no mind oh, I don't mind oh

Anywhere money dey, make dem call me  
I will be there still  
Loke, loke, across the border  
I will be there still  
Many go go, many go come  
I will be there still  
I will be there still  
And it is destined (again!)  
Anywhere money dey, make dem call me  
I will be there still  
Loke, loke, across the border  
I will be there still  
Many go go, many go come  
I will be there still  
I will be there still  
And it is destined (again!)

Gey gey, gey gey  
Gey gey, gey gey  
Gey gey, gey gey  
Gey gey, gey gey  
Gey gey, gey gey  
Gey gey, gey gey  
Gey gey, gey gey  
Gey gey, gey gey

My heart pure like pure water  
And water no get~e ota  
And you can't fight destiny  
The pain brings out the best in me
