

# Bless Me

DaVido

Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you would be the Don  
I'll thrill with you the freaking echelon

Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you would be the Don  
I'll thrill with you the freaking echelon

I never ever thought that I would be right here today  
You help me face my greatest fears  
and conquered all the hates  
And now I'm getting money now  
and I see your love is true  
And everything I got today I owe it all to you  
Oluwa dey bless me  
got today I owe it all to you..Oluwa dey bless me [3x]  
got today I owe it all to you

And I remember back in the days  
I didn't have no owo  
But nowadays everybody follow (follow)  
Could it be the money they see  
Back then I was blind but now I see  
Yea ee see see  
Forward ever backward never  
MayD and Davido together  
And you know the motto new school things  
And we gonna be rich forever

I never ever thought that I would be right here today  
You help me face my greatest fears  
and conquered all the hates  
And now I'm getting money now  
and I see your love is true  
And everything I got today I owe it all to you  
Oluwa dey bless me  
got today I owe it all to you..Oluwa dey bless me [3x]

Listen  
Everybody wanna see me now  
And all the young boys wanna be me now  
All the bad belle people wanna see me frown.

Ye they wanna see me drown  
I know one day I go wear the crown  
But girl get low low low low low low low.  
Forward ever backward never  
MayD and Davido together  
I promise you my brother  
We gonna be rich forever

I never ever thought that I would be right here today  
You help me face my greatest fears  
and counted all the hates

And now I'm getting money now  
and I see your love is true  
And everything I got today I owe it all to you  
Oluwa dey bless me
