Calling you tonight
I wan make you show me
Make we no dey fight
I no wan sleep alone
Wanna hold you tight
Water full my eyes
But I'll be alright

Forever
O ma latan (Aya)
O ma gba, o ma ke'tan
Ibebe idi e, mo maa si tan o
Say dem go feel it
Dem go run it down
Dem go hold it
Dem go
Say dem go feel it
Dem go run it down
Dem go hold it

I've been talking to myself
And I no even notice
She gat me feeling like a zombie

And she dey shoot like Chuck Norris
The way she put her body down
You got me falling truly
I just touch down
Wanna see you now

'Cause I be on the phone
Calling you tonight
I wan make you show me
Make we no dey fight
I no wan sleep alone (No wan sleep alone)
Wanna hold you tight
Water full my eyes
But I'll be alright

Forever
O ma latan (Ayah)
O maa gba, o maa ke'tan
Ibebe idi e, mo maa si tan o
Say dem go feel it
Dem go run it down
Dem go hold it
Dem go
Say dem go feel it
Dem go run it down
Dem go hold it
Dem go
