

For The Road

DaVido

Baby tell me very honestly
This your loving shey na current ni
Shey no be whining ye tan mi
Hold the Bentley and the money
Never confuse you make you feel you're in love

No make I jogodo odi go
And this your lololo no be so
Na why I wan make you ko bi ko
My baby no use ecko
Baby fa la la, girlie jo o
You no fit bend be no story o
Baby whine na na na go the low

But before you go
Give me one for the road
Give me one for the road o
Give me one for the road

But before you go na
Give me one for the road
Give me one for the road o
Give me one for the road

So make we go corner, we re we re
Keep it sending o, ebelebe
'Cause you wan dey outside
I'm never gonna hold you back
Girl If I commit o
Nobody fit to understand
You no fit lie you fall my hand
But is okay, is okay, no time yan yan

No make I jogodo odi go
And this your lololo no be so
Na why I wan make you ko bi ko
My baby no use ecko
Baby fa la la, girlie jo o
You no fit bend be no story o
Baby whine na na na go the low

But before you go
Give me one for the road
Give me one for the road o
Give me one for the road

But before you go na
Give me one for the road
Give me one for the road o
Give me one for the road

Give me one for the road o
The road
