

Get to You

DaVido

Girl girl girl
Eh
I want you to be my tonight
Tonight uh yeah
Tonight uh yeah
Girl girl girl
Eh
I wanna dance with you round this fire
Tonight uh yeah
Uh yeah uh yeah

I'll swing from g to g to get to you
My darling
I'll fight any lion to get to you
As long as you want me too
I go do it for you
Let me do it to you
On my journey searching to this land
I loved diamonds when I saw them first
But nothing shines like you girl
I go do it to you
Let me do it for you
Can we go
Can we go
Can we go
I can be the one to catch you if you fall
Let me be the one you call
I just wanna hold you jor

You are you are you are
That one thing that makes me feel something
Oh yes oh yes you do
I know say you go give me problem
I know say you go give me wahala
But I don't care
Oh no oh no oh no

I'll swing from G to G to get to you
My darling
I'll fight any lion to get to you
As long as you want me too
I go do it for you
Let me do it to you
On my journey searching to this land
I loved diamonds when I saw them first
But nothing shines like you girl
I go do it to you
Let me do it for you
Can we go
Can we go
Can we go
I can be the one to catch you if you fall
Let me be the one you call
I just wanna hold you jor

The river tell you something (oh yea)
But you won't tell me nothing (oh yea)

The wind whisper something (oh yea)
But you don't tell me nothing (oh yea)
The trees tell me something (oh yea)
But you won't tell me nothing (oh yea)
The stars tell me something yea yea (oh yea)
Now I'm singing something (oh yea)

On my journey searching to this land
I loved diamonds when I saw them first
But nothing shines like you girl
I go do it to you
Let me do it for you
Can we go
Can we go
Can we go
I can be the one to catch you if you fall
Let me be the one you cal
I just wanna hold you jor

On my journey searching to this land
I loved diamonds when I saw them first
But nothing shines like you girl
I go do it to you
Let me do it for you
Can we go
Can we go
Can we go
I can be the one to catch you if you fall
Let me be the one you call
I just wanna hold you jor
