DaVido

The way you hold my waist I like as e dey go  
Big booty girl  
Can't dance to save myself but see as I dey roll, oh nah  
Guilty pleasures, I take part in those  
This skinnet dey intimate us ah  
Feeling Intellectual

And I can tell you're feeling the pressure  
And I can tell you're feeling the tension  
You move your legs like this and that  
It can drive away depression  
I can tell your skill is precious  
You can change the whole direction  
You move your legs like this and that  
It can drive away depression

Hold my waist, hold my waist, hold my waist  
I like as e dey go  
Baby I like as e dey go  
Hold my waist, hold my waist, hold my waist  
I like as e dey go  
Baby I like as e dey go

Make your body come gum my body  
Make I cool my tension, tension  
Omoge me I no fit lie your body dey call my attention  
Biggie waist, fine face  
I no go like call you, I dun gbess for you  
Omoge I dun gbess for you

Follow me make we chop life for Dubai  
Anything you want, girl I go buy  
You dey put me for high tension, omo  
This one nah my confession, omo

We go do holiday for Mumbai  
Anything you want girl I go buy  
You dey put me for high tension, omo  
This one na my confession, omo

Omo you got me like high up in the clouds  
I wanna love you for life  
I no go like to say goodbye  
Na you dey ease my disease  
When the tension's way too high  
You know the buttons to press to ease up my stress  
I can not compare you, you  
I no fit compare you

And I can tell you're feeling the pressure  
And I can tell you're feeling the tension  
You move your legs like this and that  
It can drive away depression  
I can tell your skill is precious  
You can change the whole direction  
You move your legs like this and that  
It can drive away depression

Hold my waist, hold my waist, hold my waist  
I like as e dey go  
Baby I like as e dey go  
Hold my waist, hold my waist, hold my waist  
I like as e dey go  
Baby I like as e dey go
