Too many blessings me I no fit talk
If dem dey wait make dem see me flop
Dem go wait till thy kingdom come
You carry gun, me I carry bomb
We go dey shock dem like high tension
Who know say Uncle Demola go become governor
You know say God dey my back, everytime I come through that's true

I no fit take it o
I swear to God dem no fit change me o
Dem go con beg for my mercy o
But dem wan play me like messi o
She pe!
Dem bin dey call my phone
Phone!
Dem bin dey call my home
Home!
There heart be like stone
Stone
But I fly over dem like drone
Oh no o

If dem wan turn goliath
I be David for life
Oluwa dey my side

If dem wan turn goliath
I be David for life
Oluwa dey my side o
