

# Shopping Spree

DaVido

And that's on everything, yeah  
(Masterdon on the beat)  
Hmm  
(And that's on-, that's on-)  
And that's on everything, yeah  
(That's-)  
That's on everything

Oh, many, many men, haffi come try and take my place  
Only you, gon' make me change my ways  
Only you, gon' make me change my ways  
Only you, omo na only you  
Oh, many, many, many men, haffi come try and take my place (My place, my place)  
Only you, gon' make me change my ways  
Only you, gon' make me change my ways  
Only you

Toba go na to carry you go  
Forget you fine, ooh  
My gbedu final, put it inside, ooh  
Shopping spree every day  
Omo na every day  
Omo na every day  
Omo na every day  
Say you wan test man?  
Omo na die, ooh  
You wan test this?  
I go be your guy, ooh  
Shopping spree every day  
Omo na every day (Woo)  
Omo na every day  
Omo na every day  
And that's on everything

Keep bendin' up with the vibe, yeah  
Fuck me like a slut and be the wife  
Articulatain', said she tryna ride (Woo, oh)  
I told her make a wish, she gon' be mine, yeah  
Bring me your love, you better not die  
Everything I'm on, shawty say she on  
She put that shit on, panties in a bunch (Woo)  
Don Corleone, yellow diamonds like the sun (Girl, I)  
I caught her watchin' me (I caught her)  
Tannin' on your left, size up your ring  
Throw these ones, let it fall on your spleen  
Heard you was alone, I'm 'bout to slide on you

Toba go na to carry you go  
Forget you fine, ooh  
My gbedu final, put it inside, ooh  
Shopping spree every day  
Omo na every day  
Omo na every day  
Omo na every day  
Say you wan test man?  
Omo na die, ooh

You wan test this?  
I go be your guy, ooh (Oh, oh)  
Shopping spree every day  
Omo na every day  
Omo na every day (Every day)  
Omo na every day  
And that's on everything (Girl)

I don't know how hard that I be dancin'  
Baby, you keepin' up with the swingin'  
You fuck with niggas that's gonna leave you (Woo)  
Don't lay there, babe, now, we can leave now  
Thought you won't find a nigga that's real  
You start to like it, it's how you feel  
If you get excited, it's what it is (Woo)  
And you fall in love, your drawers, I'm soakin' up  
Pipe down, I just wanna taste you  
Lights down, it's a party on your body  
Right now, I got you playin'  
Put it in my face, oh-woah ([?] go)

Oh, many, many men, haffi come try and take my place (Ooh, my place, part of  
me every day)  
Only you, gon' make me change my ways (Oh, why?)  
Only you, gon' make me change my ways (Why? Only you)  
Only you, omo na only you (It's mine)  
Oh, many, many, many men, haffi come try and take my place (Oh, woah, my place,  
my place)  
Only you, gon' make me change my ways (Every day)  
Only you, gon' make me change my ways (Every day-y-y-y)  
Only you

Oh, many, many, many men, haffi come try and take my place (My place, my place)  
Only you, gon' make me change my ways  
Only you, gon' make me change my ways (Woo)  
Only you  
Oh, many, many, many men, haffi come try and take my place (My place, my place)  
Only you, gon' make me change my ways  
Only you, gon' make me change my ways (Woo)  
Only you
