

I Said No Sir

Davina Michelle

I'm a little upset, I'm mad
Why you tryna get some?
Keep your hands off
I'm the boss of these breast and ass
And I said no sir
I said no sir

To my global mama's
Teach your sons
I got body, I got money
Zero tolerance
If I go out braless
Or for a run
I'm not the problem
Oh he wanna taste it
Adam and Eve
Little nibble on the apple
Looking bittersweet
Don't just say you want me
Say you need
Me to agree

Use both ears boys
None of this is yours
None of this is yours
None of this is yours
Choose your battles
None of this is yours
None of this is yours
I said no sir

I'm a little upset, I'm mad
Why you tryna get some?
Keep your hands off
I'm the boss of these breast and ass
You can only get some
If I say so
I dress up just to impress you
If that's in your head, you're messed up
I might get naked
Shake that cake
I'm still not asking for it
I'm a little upset, I'm mad
Cause I said no sir
I said no sir

To my global daddies
Teach our girls
To appreciate their bodies
Fellas spread the word
And if I go out braless
Cause strap marks hurt
Don't try to flirt

Use both ears boys
None of this is yours
None of this is yours

None of this is yours
Choose your battles
None of this is yours
None of this is yours
I said no sir

I'm a little upset, I'm mad
Why you tryna get some?
Keep your hands off
I'm the boss of these breast and ass
You can only get some
If I say so
I dress up just to impress you
If that's in your head, you're messed up
I might get naked
Shake that cake
I'm still not asking for it
I'm a little upset, I'm mad
Cause I said no sir
I said no sir

I said no sir
I said no sir

I dress up just to impress you
If that's in your head, you're messed up
I might get naked
Shake that cake
I'm still not asking for it
I'm a little upset, I'm mad
Cause I said no sir
I said no sir
