

# Purpose

Davina Michelle

Oh my, old times  
I don't regret the days without the reckless nights  
No ghost, just hide  
I'm wide awake  
I dream of purpose in my life

I was young and blonde and smelled like fear  
You were twenty-one and always near, here  
Clean your slate, except for who I swear  
I gave in and here I am

Oh my God (Oh my)  
Heaven has got my back  
Since the first time we ever met  
Oh my God (Oh my)  
What are you dumb regrets?  
You're the best thing I've ever had  
I'm blessed, I'm blessed  
Oh, oh

Oh my, you're mine  
You took my hand, you led me up and made me shine  
New clothes, new high  
Now wide awake  
I left the dream I used to hide

I was young and blonde and smelled like fear  
You were twenty-one and always near, here  
Clean your slate, Except for who I swear  
I gave in and here I am

Oh my God (Oh my)  
Heaven has got my back  
Since the first time we ever met  
Oh my God (Oh my)  
What are you dumb regrets?  
You're the best thing I've ever had  
I'm blessed, I'm blessed  
Oh, oh yeah  
I'm blessed  
I'm blessed  
Oh, oh yeah  
You're the best thing I've ever had

You gave me purpose, you gave me life  
Some perspective, something to die for  
Gave me hard times, taught me to fight  
I'm so thankful for you by my side  
Oh, I gave in and here I am

Oh my God  
Heaven has got my back  
Since the first time we ever met  
Oh my God (Oh my)  
What are you dumb regrets?  
You're the best thing I've ever had  
I'm blessed, I'm blessed

Oh, oh yeah  
I'm blessed  
I'm blessed  
Oh, oh yeah  
Yeah

Yeah, yeah
