

Torn Apart

Davina Michelle

Every day we'd scream in silence
Every night we lost a dream (lost a dream)
You're a different kind of quiet
I don't wanna go, but I'm gonna go
Before you leave

I lost all that I ever put my heart in
Bit dramatic but at least that's how I felt
He built my walls and you don't get to climb them
'Cause I wanna go, I'm gonna go
Before you leave

But you keep holding, holding, holding on
And I keep hoping you won't come along
'Cause I am torn, and torn, and torn apart
But you keep holding, holding, holding on

I'm torn apart, ooh-ooh, ooh-ooh
I'm torn apart, ooh-ooh, ooh-ooh
I'm torn apart, ooh-ooh, ooh-ooh
But you keep holding, holding, holding on

I lived and loved a life I gave my all to
But he ripped me up and stole a little piece
I swore I'd never, ever get torn up again
I don't wanna go, I'm gonna go
Before you leave

But you keep holding, holding, holding on
And I keep hoping you won't come along
'Cause I am torn, and torn, and torn apart
But you keep holding, holding, holding on

I'm torn apart, ooh-ooh, ooh-ooh
I'm torn apart, ooh-ooh, ooh-ooh
I'm torn apart, ooh-ooh, ooh-ooh
But you keep holding, holding, holding on
