

## Cherries

Dawin

I had to pull up with the bottle of the Julio (Julio)  
Now we faded like the faders in my studio (studio)  
Shorty, only L I take is from the Louis store (give it up)  
That Spanish booty just got me going estupido  
Ay, yeah, sipping on a drink while them cherries bounce  
Yeah, you might fuck around and drop it to the ground  
Oh, sipping on a drink while them cherries bounce  
Yeah, dip it, dip it

Baby girl, you said you like 'em nasty, whoa, whoa  
And that's why you looking at me, yeah, yeah  
Classy with a fatty, whoa, whoa  
And that's why you throw it at me (that's why you throw it at me), ay, ay  
On the weekend (weekend), keep it bouncy (bouncy)  
Got the paper rolled up like it's bounty (bounty)  
Hella soulful, come see what my soul do  
They may have the drip but girl I got the whole juice
