

## Dessert

Dawin

Yeah you've been working it doing it a while  
part of the reason that I'm under your spell  
got a bright future behind yourself  
I'm craving for a piece and so is everybody else  
Gotta be the sweetest thing that I ever laid my eyes on  
and whoever getting mad just tell us that you got no flaws

Are you saving that dessert for me?  
Cause if you are baby then  
You know you could work for me  
The way you do it causing jealousy  
But you don't ever gotta worry about the enemy  
They try to do it like you  
And they get mad cause they don't do it successfully  
They try to copy your moves  
But they don't never ever do it that tastefully

They can imitate you  
But they can't duplicate you  
Cause you got something special  
That makes me wanna taste you  
I want it all day long  
I'm addicted like it's wrong  
I want it all day long  
I'm addicted like it's wrong

They can imitate you  
But they can't duplicate you  
Cause you got something special  
That makes me wanna taste you  
I want it all day long  
I'm addicted like it's wrong  
I want it all day long  
I'm addicted like it's wrong

Baby you the dopest on the scene  
Lookin' like you stepped out a magazine  
Only reason why you got competition  
Is cause you know how to do your girly thing  
got me lookin' at you like a kid lookin' at ice cream  
and if you let me get a taste baby girl i might just scream

Are you saving that dessert for me?  
Cause if you are baby then  
You know you could work for me  
The way you do it causing jealousy  
But you don't ever gotta worry about the enemy  
They try to do it like you  
And they get mad cause they don't do it successfully  
They try to copy your moves  
But they don't never ever do it that tastefully

They can imitate you  
But they can't duplicate you  
Cause you got something special  
That makes me wanna taste you  
I want it all day long

I'm addicted like it's wrong  
I want it all day long  
I'm addicted like it's wrong

They can imitate you  
But they can't duplicate you  
Cause you got something special  
That makes me wanna taste you  
I want it all day long  
I'm addicted like it's wrong  
I want it all day long  
I'm addicted like it's wrong
