

Eternity

Dawin

You said that it's mine and you're waiting for me
With your hands rehearsin'
We started on FaceTime, Ima get the job done
When I have you in person

It's gon' be a movie when I pull up
While I'm on the way, you should tuh, tuh, touch
Put it on me like you miss me bad
Call me Thursday and throw it all the way back, back, back

You been keeping all your promises
Body looking marvelous
I just wanna hold you for eternity
What I feel for you is obvious
You're the only one I miss
I just wanna hold you for eternity

Just you and I, ah ah ah ah ah ah
Nah nah nah nah nah nah nah nah
Ah ah ah ah ah ah ah
Nah nah nah nah nah nah
Just you and I, ah ah ah ah ah ah
Nah nah nah nah nah nah nah nah
Ah ah ah ah ah ah ah
Nah nah nah nah nah nah

I know your time is hard to get
Your energy is strong through text

I see you in my dreams and it's way too much
Let's make this a routine we keep on the hush
With ya dirty talk you give me that rush
For the best high I can be your plug

You been keeping all your promises
Body looking marvelous
I just wanna hold you for eternity
What I feel for you is obvious
You're the only one I miss
I just wanna hold you for eternity

Just you and I, ah ah ah ah ah ah
Nah nah nah nah nah nah nah nah
Ah ah ah ah ah ah ah
Nah nah nah nah nah nah
Just you and I, ah ah ah ah ah ah
Nah nah nah nah nah nah nah nah
Ah ah ah ah ah ah ah
Nah nah nah nah nah nah

Without you, without you
I don't wanna end the night without you
Without you, without you
I don't wanna hit my dance without you
Without you, without you
I don't wanna ride the Benz without you
Without you, without you

I don't wanna go to bed without you

Ah ah ah ah ah ah ah

Nah nah nah nah nah nah nah nah

Ah ah ah ah ah ah ah

Nah nah nah nah nah nah

Just you and I, ah ah ah ah ah ah

Nah nah nah nah nah nah nah nah

Ah ah ah ah ah ah ah

Nah nah nah nah nah nah
