

## Go Getter

Dawin

Oh na na na na na

I could treat you right but I treat myself better  
You could change my mind but maybe not forever  
Have you like the weather just a little bit wetter  
Shawty you could get it and I'm a go getter, go getter

Shawty you could get it, I'm a go getter  
Shawty you could get it, I'm a go getter

Can't deny you give me vixen vibes  
You got the lipkit and I could kiss you twice  
Tell me where you wanna put them hips tonight  
If you don't know where I'll be your tour guide  
Yea, sit down on it when you wanna relax  
A freak in the sheets I could never leave that  
Official with you I could never be that  
I could never be that cause

I could treat you right but I treat myself better  
You could change my mind but maybe not forever  
Have you like the weather just a little bit wetter  
Shawty you could get it and I'm a go getter, go getter

Shawty you could get it, I'm a go getter  
Shawty you could get it, I'm a, aye

You wanna fill your cup up light a philly, philly  
No feelings you know what's the dealy, dealy  
But we could get all touchy feely, feely  
Big booty girl in that mini, skirt  
Yea, sit down on it when you wanna relax  
A freak in the sheets I could never leave that  
Official with you I could never be that  
The streets calling me shawty I'ma be back

Aye

I wanna sip and I wanna party, aye  
Right on the dance floor you could ride me aye  
I wanna sip and I wanna party, aye  
Right on the dance floor you could ride me aye  
I wanna sip and I wanna party, aye  
Right on the dance floor you could ride me aye  
I wanna sip and I wanna party, aye  
Bajatelo mas, 'Mmm sucia'

Shawty you could get it, I'm a go getter  
Shawty you could get it, I'm a go getter
