

Multiple Choice

Dawin

You started drinking way too much
I know what your motive was
Didn't want me dancing with another lady
That's why you've been teasing me lately

So many girls, multiple-choice
I'm off the chain, they're feeling the boy
Looking for one but can't make the pick, nah
I'm being honest, not being a dick, nah
Multiple, multiple, multiple, whips, girls, shots
Incredible, credible, credible, the life I got
Multiple, multiple, multiple, whips, girls, shots
Incredible, credible, credible, I'm flexing a lot

Ooh, you get jealous when you see me around
These other girls that came from out of town
And I can't deny it's attractive
But it's too soon to say that I won't be a savage
We're in this party escaping the world
Love the attention I get from the girls
But I'd rather see how you look with no jeans
I've got dirty thoughts but my outfit is clean
Wait a minute

So many girls, multiple-choice
I'm off the chain, they're feeling the boy
Looking for one but can't make the pick, nah
I'm being honest, not being a dick, nah
Multiple, multiple, multiple, whips, girls, shots
Incredible, credible, credible, the life I got
Multiple, multiple, multiple, whips, girls, shots
Incredible, credible, credible, I'm flexing a lot

I'm only loyal when I make up my mind
In this situation I've left that behind
Securing the bag is the best thing I've done
Because I've got more options to have me some fun
Can't get involved, blame the schedule I have
The tours and promo are holding me back
I hope you're not too drunk to understand
That I can only be a one night man
Wait a minute

So many girls, multiple-choice
I'm off the chain, they're feeling the boy
Looking for one but can't make the pick, nah
I'm being honest, not being a dick, nah
Multiple, multiple, multiple, whips, girls, shots
Incredible, credible, credible, the life I got
Multiple, multiple, multiple, whips, girls, shots
Incredible, credible, credible, I'm flexing a lot
