

Sleepwalk

Dawin

I'm always giving and forgiving
Even when you mess around with my feelings

Yea I just got a new piece
And it's shining all over me
But it doesn't compete
To us putting it down till 3
There's a long line for this heat
Oo but they belong to the streets
Baby what ya eyes don't see
Is you're my priority, Yeah

Don't forget that we've come this far, yeah yeah
No I don't want us to be apart, Aye
Can't you see, that the night's not the same without you
Aye without you, Woh
Don't forget that we've come this far, Oh
No I don't want us to be apart, Aye
Can't you see, that the night's not the same without you, Aye
No without you, Woh

No No No No,
Don't sleep walk while I give my all
No No No
Don't sleep walk while I give my all
No No No
Don't sleep walk while I give my all
While I give my all, Ohhh

Woh, it's like we're talking different languages
You ain't hearing me no,
You go deaf when you get upset
It goes left

Yea I just got a new piece
And it's shining all over me
But it doesn't compete
To us putting it down till 3
There's a long line for this heat
Oo but they belong to the streets
Baby what ya eyes don't see
Is you're my priority, Yeah

Don't forget that we've come this far, yeah yeah
No I don't want us to be apart, Aye
Can't you see, that the night's not the same without you
Aye without you, Woh
Don't forget that we've come this far, Oh
No I don't want us to be apart, Aye
Can't you see, that the night's not the same without you, Aye
No without you, Woh

No No No No,
Don't sleep walk while I give my all
No No No
Don't sleep walk while I give my all
No No No

Don't sleep walk while I give my all
While I give my all
