

# Sunshine

Dawin

There's so much conflict between you and I  
It's like we never see eye to eye  
As much as we tried we could never be distant  
We can turn off our phones but we can't turn off our feelings, oh-oh, yeah

I don't know about you  
But I'm tryna fuck with you  
Till the end of time, eh  
Ain't nothing I won't do  
For this crew, like, ooh  
Yeah, I'll leave it all behind, yeah  
I don't really wanna split  
Are you made, don't you think  
We could fix it with time? Yeah  
Had a lotta cloudy days  
But I know that we just  
Need a little sunshine

We'll find the sunshine  
Need you to be mine  
We'll find the sunshine  
Goodbye to the dark times

Let's not continue to be on and off  
'Cause in the dark all we do is get lost  
The fighting and screaming is energy wasted  
The times we're together we'll feel separated, oh-oh, yeah

I don't know about you  
But I'm tryna fuck with you  
Till the end of time, eh  
Ain't nothing I won't do  
For this crew, like, ooh  
Yeah, I'll leave it all behind, yeah  
I don't really wanna split  
Are you made, don't you think  
We could fix it with time? Yeah  
Had a lotta cloudy days  
But I know that we just  
Need a little sunshine

We'll find the sunshine  
Need you to be mine  
We'll find the sunshine  
Goodbye to the dark times

Whenever you call me, yeah  
I pull up no matter what  
Just to remove the tension  
That exists between us  
If we put our pride outside  
The future could be so bright  
We shouldn't emphasize  
The issues in our life, no, no

I don't know about you  
But I'm tryna fuck with you

Till the end of time, eh  
Ain't nothing I won't do  
For this crew, like, ooh  
Yeah, I'll leave it all behind, yeah  
I don't really wanna split  
Are you made, don't you think  
We could fix it with time? Yeah  
Had a lotta cloudy days  
But I know that we just  
Need a little sunshine

We'll find the sunshine  
Need you to be mine  
We'll find the sunshine  
Goodbye to the dark times
