

# Throwback

Dawin

I wish that you were lying  
When you said love is dying  
But you're always fantasizing  
About the past,  
Where everyone was trying  
To make it last (Ohhhh)  
Girl, I know  
This ain't a movie  
But you make me take action  
It ain't your beauty  
That brings me satisfaction  
You want that throwback, throwback  
Type of thing  
Baby you know that's  
What I bring  
Check it

Imma take you way back,  
Ah Ah Yeah Yeah  
And we gon' make this love last  
Ah Ah Yeah Yeah  
Imma take you way back,  
Ah Ah Yeah Yeah  
And we gon' make this love last (love last)  
Throwback, throwback  
You know that, know that  
Throwback, throwback  
You know that, know that

Baby don't let the others  
Make you feel that you  
Gotta compete with them  
To be with me, that's true  
You know you make  
The outer beauty not matter  
Cause to you there's more  
Than just glitter and glamour  
Girl, I know  
This ain't a movie  
But you make me take action  
It ain't your beauty  
That brings me satisfaction  
You want that throwback, throwback
