Uneven

Dawin

Oh no, oh no ,I think I'm going back
Back to, back to, my plain and simple past
Before you came and started claiming
You picture us in your imagination, but...

You don't get the same adrenaline as me
When it feels like I'm about to fall full speed
If you never wonder what our future could be
Then we don't even have the same mentality

You always have me dreaming
But it feels like we're uneven
In us I keep believing
But it feels like we're uneven

Fading away slowly, slowly, yeah
Nothing adds up how you told me, told me, yeah
All of your feelings are low key, low key, yeah
If you think I'm wrong show me, show me, show me

Hopeless, hopeful, you made me feel them both
You turned my minded into a merry-go
We got no balance to make this happen
I put in passion but it's a challenge

'Cause you don't get the same adrenaline as me
When it feels like I'm about to fall full speed
If you never wonder what our future could be
Then we don't even have the same mentality

You always have me dreaming
But it feels like we're uneven
In us I keep believing
But it feels like we're uneven

Fading away slowly, slowly, yeah
Nothing adds up how you told me, told me, yeah
All of your feelings are low key, low key, yeah
If you think I'm wrong show me, show me, show me

You always have me dreaming
But it feels like we're uneven, oh
In us I keep believing, oh
But it feels like we're uneven, oh

You always have me dreaming
But it feels like we're uneven
In us I keep believing
But it feels like we're uneven, oh
But it feels like we're uneven, oh
