

Bane Of Your Existence

Dawn of Ashes

This Silence Between Us Can Separate This Perfect Picture
Choking On The Blood From Bitter Cuts
Boundaries Crossed And The Respect Is Gone
Pressed Against The Wall Because We Can't Fix What Has Been Broken

Another Failure
Another Dying Moment
Another Reason
For Us To Lose Hope
Another Beating
Another Night Alone
Another Reason
To Kill Our Love

I'm The Bane Of Your Existence
And I'm Never Good Enough
And I'm Tired Of Being Rejected
Is This Worth It Anymore?

Another Failure
Another Dying Moment
Another Reason
For Us To Lose Hope
Another Beating
Another Night Alone
Another Reason
To Kill Our Love

Next Day And The Pain Won't Go Away
There's No Communication Between Us
This Fucking Anxiety Won't Go Away
Time Is Running Out And We Both Can't Take This Anymore

Another Failure
Another Dying Moment
Another Reason
For Us To Lose Hope
Another Beating
Another Night Alone
Another Reason
To Kill Our Love

I'm The Bane Of Your Existence
And I'm Never Good Enough
And I'm Tired Of Being Rejected
Is This Worth It Anymore?

Another Failure
Another Dying Moment
Another Reason

For Us To Lose Hope
Another Beating
Another Night Alone
Another Reason
To Kill Our Love
