

# Scars Of The Broken

## Dawn of Ashes

Desecration Is A Part Of Life That We Struggle With Day By Day  
The Story Goes That We Can't Let Go Of The Pain From Tragedy  
It Always Haunts Our Progression From Being Able To Be Set Free  
And I Feel It Over And Over And Over And Over And Over Again

Feel The Scars Of The Broken  
Is Another Day Of Being Brave  
Feel The Scars Of The Broken  
We're Survivors From Our Misery  
Feel The Scars Of The Broken  
Another Day Trying To Be Free  
Feel The Scars Of The Broken  
You'll Be A Survivor From Misery

4 A.M. The Anxiety Won't Ever Leave Peace Within Our Body  
Tearing Away At The Rib Cage  
It's So Hard To Breathe  
This Parasite We Cannot See Because The Pain Won't Forgive Tragedy  
And I Feel It Over And Over And Over And Over And Over Again

Feel The Scars Of The Broken  
Is Another Day Of Being Brave  
Feel The Scars Of The Broken  
We're Survivors From Our Misery  
Feel The Scars Of The Broken  
Another Day Trying To Be Free  
Feel The Scars Of The Broken  
You'll Be A Survivor From Misery

The Struggle Won't Give In Until We Lose Control  
Happiness Is Gone  
When We Lose Control  
This Pain Will Always Win  
And I'm Losing Control  
And I'm Losing Control

Feel The Scars Of The Broken  
Is Another Day Of Being Brave  
Feel The Scars Of The Broken  
We're Survivors From Our Misery  
Feel The Scars Of The Broken  
Another Day Trying To Be Free  
Feel The Scars Of The Broken  
You'll Be A Survivor From Misery
