

The Serpents Of Eden

Dawn of Ashes

Burn down the walls of the Roman Church in the Vatican
Destroy the movement of a fucking lie
Three lashes on the back of salvation
Three cuts down the flesh on the Lamb of God

Three times we spit on your kingdom
Say it three times, we follow devil's ways
Three times we spit on your kingdom
Say it three times, we follow devil's ways

Go

You want to say that we're going to hell
But hell is already inside of us
You want to say we'll be punished for our sins
But sins are what makes us stronger

Three times we spit on your kingdom
Say it three times, we follow devil's ways
Three times we spit on your kingdom
Say it three times, we follow devil's ways

Your God will never serve a purpose
Creating weakness on dying slaves
Your God will never serve a purpose
Creating fear of the unknown
Your God will never serve a purpose
Hating on those that don't follow the laws
Your God will never serve a purpose
Because your God is dead

Your God is dead
Your God is dead
