

Not the Way It Is

Dawn of Destiny

Ferocity - Agony - Cruelty
Just a memory

Darkness - Coldness - Forgetfulness
Oblivion

Words and deeds do not belong
Only the past
They have to remember all
They have to make it last

Chorus:
All that you see is all we seem to know
And not the way it is
All those things we hear are all we want to know
And not the way it is

Blindness - Foolishness - Ignorance
Our last dance

Insensibility - Infamy - Malignity
Atrocity

Words and deeds do not belong
Only the past
They have to remember all
They have to make it last

Chorus

Shine a light, keep it all alive
No one left to understand

Honesty? - Fragility - Simplicity
Stupidity

Don't you see?
Don't you read?
Don't you hear?
Don't you live?

Chorus
