

# Let Love In

Dawn Richard

I Know I made mistakes  
But you think think that I should beg  
What happen yesterday  
Lets just live for today

If this world came crashing down  
Would you still hold this burden over my head  
I wish that I could say I'm sorry and believe in what I said  
I wish that we could fill this room with love instead of regret  
There's no space for me to improve if you don't choose to forget

Let Love  
Let Love  
Let Love In  
Let Love  
Let Love

You used to make mistakes  
(But You Never took the Blame)  
But when these box my ways  
Like there's no good times with me

If this world came crashing down  
Would you still hold this burden over my head  
I wish that I could say I'm sorry and believe in what I said  
I wish that we could fill this room with love instead of regret  
There's no space for me to improve if you don't choose to forget

Let Love  
Let Love  
Let Love In  
Let Love  
Let Love

Can we love again my baby  
I'm begging you  
Can we trust again my baby  
I'm asking you

If this world came crashing down  
Would you still hold this burden over my head  
I wish that I could say I'm sorry and believe in what I said  
I wish that we could fill this room with love instead of regret  
There's no space for me to improve if you don't choose to forget

Let Love  
Let Love  
Let Love In  
Let Love
