

# Scripture

Dawn Richard

He is my religion,  
I pray he never go,  
If his love had a description,  
It'd be the secret to my soul,

Ooh,  
I look to him in reverence,  
Ooh  
I'm kneeling at his presence

Hallelujah!  
You are my scripture  
Hallelujah!  
You are my scripture

Excuse me while I worship,  
Take my pride away,  
I'll make a confession,  
Just tell me what to say,  
He is my commandment,  
That I will never break,  
Oh, and no weapon form  
But his can smoothly be in trade

Oh  
I look to him in reverence,  
Oh  
I'm kneeling at his presence,  
Oh, with him, I know he's saving  
Let me earn his blessing,

Hallelujah!  
You are my scripture,  
(Ooohh)  
Hallelujah!  
You are my scripture,  
Hallelujah!  
(Can't nobody tell me nothing 'bout you, my scripture)  
You are my scripture,  
(Can't nobody hold me down)  
You're my scripture  
Hallelujah!  
You are my scripture  
(You are)

Can't nobody hold me down,  
Like you do,  
I pray you'll never leave, it's me for you  
Know that I can't live,  
Without you,  
So to keep your love, 'cause to me it's true

(Hallelujah)  
You are my scripture,  
(Hallelujah)  
You are my scripture,  
(Hallelujah)

You are my scripture,  
(Hallelujah)  
You are my scripture,  
You are my
