

the nine (intro)

Dawn Richard

Listen

I wanna go back to JonLee Drive

Eating crawfish and watching my so called life

I wanna go back eh

I wanna go back to JonLee Drive

Where Shonda and Sanda used to kick it everytime

I wanna go back yeah

Iwanna

Do all the things that I used to do

Start waking up for Catholic school

I want some snowballs man

And some Camelia Grill or China Stop is cool

I wanna run where the people don't judge you

They don't hang with you if they don't fuck with you

Buree season where they got the zulu

Throw a beat at you if you real rude

She's just a girl from the nine

From the nine from the nine

Nine

She's just a girl from the nine

Just a king from the nine

She's just a girl from the nine

From the nine from the nine

Nine

She's just a king from the nine

Don't hold back you the nine
