

# Waves

Dawn Richard

Imma have to come from off the bench  
I play my fifty minute stretch baby  
You been having me up on the sideline  
When I'm 'Curry' on the press baby

You never saw the best in me  
Cause you was looking at the rest baby  
But when you got a king like me  
There is a couple things you got to stress

I make you money longer  
Yeah  
I'm always up in ya corner  
Yeah  
I'm the one make you stronger  
Oh yeah oh yeah oh yeah oh yeah

(Wave ya money, wave-wave ya money, wave ya money)  
(Wave ya money, wave-wave ya money, wave ya money)  
If you feelin stress up in yo chest  
Cause they forgot that you the best  
(Wave ya money, wave-wave ya money, wave ya money)  
(Wave ya money, wave-wave ya money, wave ya money)

Imma have to take up off my shades so you can see I ain't playin  
Sometimes they seem to forget that you the only reason that they slayin baby  
If you at your job and they promotin everybody who ain't shit listen  
It's ok to take a second to remember you deserve this oh

You make you money longer  
Yeah  
You always up in ya corner  
Yeah  
You the one make you stronger  
Oh yeah oh yeah oh yeah oh yeah

(Wave ya money, wave-wave ya money, wave ya money)  
(Wave ya money, wave-wave ya money, wave ya money)  
If you feelin stress up in yo chest  
Cause they forgot that you the best  
(Wave ya money, wave-wave ya money, wave ya money)  
(Wave ya money, wave-wave ya money, wave ya money)  
If you feelin stress up in yo chest  
Cause they forgot that you the best  
(Wave ya money, wave-wave ya money, wave ya money)  
(Wave ya money, wave-wave ya money, wave ya money)

If they ain't on ya wave  
(No no no)  
Wave the money in they face  
(Wave wave)  
They got to know that you a king  
(You a king)  
You sit on thrones at the bank  
(Straight at the bank)

Wave ya money, wave-wave ya money

Wave ya money, wave-wave ya money  
Wave ya money, wave-wave ya money  
Wave ya money, wave-wave ya money...

Wave ya money, wave-wave ya money  
Wave ya money, ladies wave ya money  
Just wave ya money, wave-wave ya money  
Ladies wave ya money, wave-wave ya money  
Just wave...
