

## Evil Deeds

Dawnrider

You're an hate breeder,  
Living a blind rebellion,  
an evil seed afraid of love,  
fooling no one but yourself.

Evil's seed, devil's breed.

When will you realise?

You're living in a sickened fantasy.  
Your words are blasphemy, from things you don't understand.

Evil's seed, devil's breed,  
you'll never cross the fence.

Evil's seed, devil's breed,  
your wretched life is misery...
