My dick is big like a banana ooh nana)

Yours truly, Dax

See, I'm looking for a girl that's different

PhD with some swag but still do the dishes

A degree with some ass and some good intentions

I failed to mention, she must a pail and pension and pay attention

It's Dax and I learned my lesson

I start confessing, it's hard but I'm hardly stressing

It'll cause depression, a broad could Allah the tension

Her lips a weapon, her touch could relieve in seconds

A girl's a blessing, a hug

Need me one to call my own, to call my phone

Produce and create my clone

Sings my songs, protect and create my home

Don't apply if you got one wrong

Naw ladies for real though, I got a lot of good qualities

I'm tall, 6'2, my mom said I'm handsome

I got a college degree and I'm a hooper

Havana ooh na-na

My dick is big like a banana oh na-na

Ooh ah

I can take you to Havana, baby

My dick big like banana, baby

I talk hood but I still got the grammar, baby

A real man still street with some manners, baby

I'll have you riding 'round, 'round in a Phantom, baby

Got good genes, ain't no history of cancer, baby

Got fans and bands plans, the demand is crazy

To land the man the Dax, I'd be down my baby

Listen, listen

Really tryna tell every girl, I'm a good man

Me and you together's all Drake, God's Plan

Everything I do is not fake, I ain't TMZ

Tryna take your business and expose you on the TV screen

Real discrete, low-key nigga is how I'm finna be (uh huh, really)

If they talk about you I'm eating 'em like a Willa beast

Willingly killing people to feel what killing feeling be

'Cause I know you be feeling it when you fucking be killing me, huh

I will treat you right, tuck you in, shh when you sleep at night

Lay that pipe, shop, I will pay price as long as you treat me nice

Yeah, huh

Baby, baby, I need to one to drive crazy

Feed me breakfast, lunch, and dinner, provide me a little baby

Put my name inside her bio and say that she'd be my lady

Put them niggas to the side, not inside 'cause that's hella shady

No debating if she faking and hiding 'em in the basement

Getting naked for the Gram in the hopes of just getting famous

Sugar daddy on the side who be giving her hella payments

Kissing women but don't think that it's cheating 'cause of arrangement

Damn, baby

Y'all women is like niggas now

And don't know what to do (don't even know)

But at the end of the day, yeah

Havana ooh na-na
