

# BEATBOX Freestyle

Dax

They say that I'm different  
If I flex a gun they would probably fuck with my image  
I'm Dax and the shit that I've done it could never be mimicked (Damn E, that  
shit's exclusive)  
This shit is exclusive I'm Russian the beat like I'm Vladimir Putin for ever  
y BAR-that-you-MITZ-Imma-FUH you like I'm going Jewish  
I promise you niggas we not in the same league (BarMitzvah)  
I go-in-bert like I'm with Donovan Mitchell  
I got more stripes than Zebra they speak on me foul because Dax has been way  
to official  
Stay in my lane with my head on a swivel  
X'ing 'em out like I'm Malcolm and middle  
I tried to be nice but these people is Karen's so I'm blacking out like my l  
ast name is Civil  
I'm doing life for these bars every beat that I touch Imma body that  
Bout to fuck twins after this so you pussies can call me a copy cat  
I got a Chevy-Impala with-Pistons, I'm driving in Pontiac  
I'll never Mich Again I'm in Detroit with the boys I got chips like Isaiah a  
nd Thomas had  
I'm a different category  
Stay in the house in like my name is Cory  
So many flows they get wet when I rap in I could have an orgy  
Th-this beat makes me horny  
Once I cum you can't ignore me  
Niggas my sons they won't admit  
Imma have to take they ass and show it on Maury  
Akon nigga Imma 'bout to smack that  
Can't breathe like I'm rapping with a gas mask  
Switch gears every time a nigga fast rap  
They too slow I'm already on my last lap  
You'll get smoked you niggas can't match that  
I'm so blunt you people try to pass Dax  
Then try to front like you my dogs I see right through you like a nigga did  
a cat scan  
Do try to front because I know you know  
I been Boss, no Hugo  
You USDs while I'm Euros  
My bars are worth like two times yours  
Don't you make that mistake  
Independent how I bust in the gate  
I do numbers organic I don't gotta pay  
My shit is golden like Stephen and Klay  
I'm in my zone in my natural state  
Don't gotta warm up I'm hitting my shot if you throw me the rock when I step  
in the game and I promise I don't miss  
I stay focused  
Every songs a magnum opus  
My rhymes-scheme-SE(a)RENA so damn big, I broke the US Open  
And yes I noticed  
Niggas never gonna give me my roses  
So I stay cooking up this crack and serving it out in potent doses  
What you niggas done, I done, did that already  
You must be jelly, jamming my nuts  
My balls are too heavy  
I need some WAP not talking talking 'bout Fetti  
I'm with the squad like Ed, Edd and Eddie  
And if I don't pop then this years a flop 'cause my shits too hot and can't

no one tell me that my shit don't Rock-and-  
Roll over what's on top charts I'm serving that levy  
So, sit down please I will not stand for this I am not allstate  
I spit gas, you people stay sleep, I'm up no wonder you're all breaks  
I'm getting sick of this  
You gon' put some respect on a lyricist  
I'm in HOUSTON-like-ASTROS-I'm-  
NOMICAL chemically serving up bars like a physicist  
I been rapping to fast  
Imma slow, take it slow  
I have to slow down to get it going  
You can't replace me, I rap in HD  
I promise niggas Dax is 'bout the be the place to be  
Fuck Daniel!  
Upstain I throw heat rocks I'm like D-Wade when I bowl  
I don't need a deal to pop I got talent my nigga I don't got to sell my soul  
But if I do  
It's o-over for you  
I gotta slow take it slow  
I have to slow down to get it going  
You can't replace me, I rap in HD  
I promise niggas Dax is 'bout to be the place to be  
Fuck Daniel!  
It's Dax!
