

## Do For Love

Dax

Picture perfect, it wasn't the perfect picture  
I was racin' nigga that you niggas was getting richer figure  
They was richer, you was a gold digger  
Drinking liquor how I dealt with the fact I wasn't your nigga  
You got me thinkin' and devise me a plan  
How to go from being broke to turn me into a man  
How to purchase time on the beach take you to beaches and sand  
Talk to women get some advice on what to do in advance  
I started rappin', got me some money  
Ain't it funny?  
Now you around and you claimin' you love me  
Spendin' and takin' it from me  
I was right, you was chasin' paper niggas who can give you the life  
I got caught up thinkin' that shit was real  
You got caught up lettin' them niggas feel  
We was caught up now I'm lookin' above  
Sayin' ain't fuckin' shit that I would do for love

What you want do for love  
What would I do for love? Not shit  
I'm focused on the paper ain't chasin' around a bitch  
You tried anything  
I tried that shit once and now I swear that shoe wasn't rocking  
Fuck a bitch that want to fuck my life  
What you want do for love  
What would I do for love? Not shit  
I'm focused on the paper ain't chasin' around a bitch  
You tried anything  
I tried that shit once and I swear that shit wouldn't rock  
That fucking bitch that went and fucked up my life

Told me you love me but you fuckin' lied  
I caught you sneakin', fuckin' sleepin' with another guy  
And I ain't feelin' no remorse because I fuckin' tried  
Man how I feel, I really find out what I felt inside  
Fuckin' cried, could've died, I was suicidal  
Pussy run the world, man I swear that shit's in the bible  
Fucking another girl, only doing it for survival  
2Pac knows that Dax is the revival  
She got me back and I was wishin' that I could smack her  
I thought she fuckin' slip but she didn't know I was fast enough  
Man, can't believe you was shady  
Fuckin' up what we had, bitch you must be crazy  
Can't believe I called you my lady  
Almost got you pregnant baby almost gave you a baby  
Damn, now I'm lookin' above  
Sayin' ain't fuckin' shit that I would do for love

What you want do for love  
What would I do for love? Not shit  
I'm focused on the paper ain't chasin' around a bitch  
You tried anything  
I tried that shit once and now I swear that shit wouldn't rock  
Fuck a bitch that want to fuck my life  
What you want do for love  
What would I do for love? Nah shit
