Nigga won't beef, put it in a caption  
Nigga won't tweet, never 'bout rapping, I bring heat  
Nigga I'm blastin', every beat  
Nigga I'm snapping, bars on fleek  
Nigga Kardashian, no retweet  
Nigga no passin', get no sleep

Every day I been on the road  
Promised to my mama I would never sell my soul  
To my dying day, 'til the boy got old  
I don't give a fuck 'bout no silver or no gold  
I'ma go back, no more I won't roll back  
These niggas know that, they don't wanted no cap  
I will not hold back, I been in my whole back  
They made me so mad, fuckin' niggas so trash  
Yeah, I been at you working, flippin' burgers  
Mickey D's and Dollar Menu service  
Niggas used to flex on me, the same ones who be lurkin'  
Cleaning up the game I changed the tide just like detergent  
Trigger fingers turn to Twitter fingers  
How you getting bodied by a janitor cleaning nigga?  
Should be bigger, ain't no co-sign but I still be killin' niggas  
Check the figures yeah, you can check the figures (Hm-hm)
