

Picture Me Rolling

Dax

Picture me rollin' on a bike, that's my life
Could be makin' millions off a rap but they ain't treatin' me right
They saw me, killin' rappers wouldn't call me
Couple years I promise labels gon' be hard to get 'em off me
In a coffin where they wanna see me, ain't gon' happen
'Cause hoopin' wasn't payin' the bills so I started rappin'
Hoopin' wasn't payin' the bills so you started trappin'
Got to clappin' now you in the system beggin' for a fraction, nigga tragic
I been thinkin' 'bout it lately
I'm tryna get this money have me trust fund babies
I ain't gotta die to do it niggas can't play me
On the daily when I see you man its fuck you pay me
Know it's crazy
Momma told me niggas wanna see me fail
Tell me shoot same niggas wouldn't post me for the bail
That's the truth needed proof, so I found me one instead
Nigga lied now he lost where he at, he fuckin' dead
Bitch nigga
But I can't tell you snitch so I had to keep it quiet
Them nigga lied to my face they fuckin' don't even like him
Those bitches lied to my face they fuckin' don't wanna wife 'em
I had to walk it alone and now they actin' like 'em
Dax a savage a known fact
Call my phone I hangup don't callback
You wasn't there when I was ridin' bike
But now you wanna come ride in the life, right

Picture me rollin'
On a bike, college hoopin', it's 20 a night my nigga
Picture me rollin'
Started rappin' told these niggas I'd make this shit happen my nigga
Picture me rollin'
Didn't believe me now you finna watch me on TV my nigga
Picture me rollin'
Matter a time, speak it into existence it's mine my nigga
Picture me rollin'

But now I gotta whip, 100 bands in a bag and a fuckin' bad bitch
Rock-star life, black type, Lenny Kravitz, it's madness
You niggas stay sleep like I'm average, it's damage
Why? I gotta make it 'cause my momma is still workin'
My pops is 60 and I barely to get to see him in person
You fuckin' niggas tryna tell me that my gift was a curse and you mad
Why? 'Cause God gave me purpose
To fuckin' walk through the curtains
And shine no lie on Pac fuckin' told me fuckin' world is mine
It's stolen mumble rappers steady holdin'
Dax is bringing back the golden
Yeah you foldin' so nigga my nigga

Picture me rollin'
On a bike, college hoopin', it's 20 a night my nigga
Picture me rollin'
Started rapping told these niggas I'd make this shit happen my nigga
Picture me rollin'
Didn't believe me now you finna watch me on TV my nigga
Picture me rollin'

Matter a time, speak it into existence it's mine my nigga
Picture me rollin'
