

# Trying Too Hard

Day One

I said you're the woman from last night  
Standing just to my right  
You're the one that said I was sweet  
When I left your kiss in my cheek  
And said we could hook up sometime maybe  
Well now is a good a time as any  
She said I don't mean to offend you  
But you're not quite how I remembered you  
You seemed to look a lot better then  
But I think you're nice as a friend  
So pull up a seat and sit down  
We're just having a drink and hanging out  
So I tried to play it sexy and hurt  
She said I came across as an introvert  
So I changed to being a deep and profound  
Until she asked me if I was feeling down  
And when I told her that I was well read  
She looked at me and just said : waouf waouf !

You're trying too hard but keep trying  
You're trying too hard but keep trying  
You're trying too hard but keep trying  
Whatever it is I'm not buying

So I phoned her that weekend  
She said she's seeing a barman called jonathan  
He wears nice clothes and keeps his hair neat  
But I could give her a call back next week  
So next week we're out to coffee  
She tells me she's really gone off me  
I say gone off me' hey you don't know me  
She said exactly so don't phone me  
I said you haven't even given this a chance  
She smiled and looked with a glance and said : waouf waouf !

You're trying too hard but keep trying  
You're trying too hard but keep trying  
You're trying too hard but keep trying  
Whatever it is I'm not buying

You're trying too hard but keep trying  
You're trying too hard but keep trying  
You're trying too hard but keep trying  
Whatever it is I'm not buying

When is this loneliness gonna end and  
When will they stop crawling about their boyfriends (boyfriends)  
When is a girl gonna get with me (me)  
There must be one in this city see ' (see)  
All I want is something that's real (real)  
I'm tired of having to spiel (spiel)

Two months later she phones me up now  
Saying hey I heard you're doing well now  
Let's you and me go out for a meal  
'cause I've never told you how I really feel  
So how about it and you can meet me

I said which me did you want to see?  
I got a girl now who knows who I am  
So I can be my own man I'm flattered but

You're trying too hard but keep trying  
You're trying too hard but keep trying  
You're trying too hard but keep trying  
Whatever it is I'm not buying

You're trying too hard but keep trying  
You're trying too hard but keep trying  
You're trying too hard but keep trying  
Whatever it is I'm not buying
