

## Ceremony

Day Wave

This is why events unnerve me  
They find it all a different story  
Notice whom for wheels are turning  
Turn again, turn towards this time

All she asks is the strength to hold me  
Then again the same old story  
World will travel, oh so quickly  
Travel first and lean towards this time

Oh, I'll break them down, no mercy shown  
Heaven knows, it's got to be this time  
Watching her, these things she said  
The times she cried, too frail to wake this time

Oh I'll break them down, no mercy shown  
Heaven knows it's got to be this time  
Avenues all lined with trees  
Picture me and then you'll start watching  
Watching forever  
Watching forever  
Watching forever
