

Potions

Day Wave

You're bad news
But I don't care
I'm thinking I wanna be into it
I've seen you here before
And now you're knocking at my door
And I don't think I'll hold myself back anymore
Anymore

Your potion has got me in over my head
I'm not gonna go with anyone else
If I can't resist you I'll end up dead
I'm not gonna go with anyone else

You pull me
You're pulling me down
But I like it anyway
Anyway
I should be running away
But I don't use my head and I just stay
I just stay

Your potion has got me in over my head
I'm not gonna go with anyone else
If I can't resist you I'll end up dead
I'm not gonna go with anyone else

You make me feel
You make me feel
You make me feel alone
Alone
I can't go on
I can't go on
I can't go on with you
No I can't go on

No I can't go on
No I can't go on

Your potion has got me in over my head
I'm not gonna go with anyone else
If I can't resist you I'll end up dead
I'm not gonna go with anyone else

Your potion has got me in over my head
I'm not gonna go with anyone else
If I can't resist you I'll end up dead
I'm not gonna go with anyone else
