

# Total Zombie

Day Wave

Here I go  
No, I can't be around you anymore  
Just turn around and let me walk away  
Just turn around and let me walk away

Close your eyes and I'll close mine  
Honey, close your heart, it just takes time  
And we'll be alright, we'll be alright  
Close your eyes and I'll close mine  
Honey, close your heart, it just takes time  
And we'll be alright, we'll be alright

Cause I'm such a total zombie  
And you're gold, honey  
I wish I would have been told  
Only a fool would want me  
And you're gold, honey  
I wish I would have been told

Just look around  
The world around you is upside down  
And I'm falling, I'm falling  
I'm bringing you underground

So just close your eyes and I'll close mine  
Honey, close your heart, it just takes time  
And we'll be alright, we'll be alright  
Close your eyes and I'll close mine  
Honey, close your heart, it just takes time  
And we'll be alright, we'll be alright

Cause I'm such a total zombie  
And you're gold, honey  
I wish I would have been told  
Only a fool would want me  
And you're gold, honey  
I wish I would have been told

Close your eyes and I'll close mine  
Honey, close your heart, it just takes time  
And we'll be alright, we'll be alright  
So just close your eyes and I'll close mine  
Honey, close your heart, it just takes time  
And we'll be alright, we'll be alright  
Only a fool would want me  
And you're gold, honey  
I wish I would have been told

Cause I'm such a total zombie  
And you're gold, honey  
I wish I would have been told  
Only a fool would want me  
And you're gold, honey  
I wish I would have been told
