

BOSS

Day1

B.O.S.S. tings
Life is just one thing
Crazy with the whole ching-ching
Crazy with the whole ching-ching
Crazy with, crazy with, crazy with, crazy with

I'm talkin' B.O.S.S. tings
When we walkin' through your hood, we look like kings
I can change your life with just one ring
'Cause my mate's crazy with the whole ching-ching
Talkin', talkin' B.O.S.S. tings
When we walkin' through your hood, we look like kings
I can change your life with just one ring
'Cause my mate's crazy with the whole ching-ching

Told me I would never pop
What's good?
But I knew I would, and I could, and I should
When I did my first show, they was vibin' on the hook
Now the bitches love my clothes and they compliment the look
Hide cash under my pillow, not from the tooth fairy
Had to get my chicken up, I ain't talkin' 'bout Perry
I could tell from the start that you were not scary
Used to shop at K-Mart, now it's B-U-R-berry
Still we jumpin' on the train, don't want a foreign chick
Reason I get the name, I got a foreign whip
Put the money over fame, I could score any chick
No designer in your frame, that's a boring pick

Lil' bitch, talkin' B.O.S.S. tings
When we walkin' through your hood, we look like kings
I can change your life with just one ring
'Cause my mate's crazy with the whole ching-ching

If we talkin' shh
We not talkin' on the phone
Tough with your clique till I see you on your own
Nike with a tick, cause I'm certi and I'm known
I be with your bitch and I'm 'bout to give her bone
Like c'mon drop the addy, where is the party?
Yeah, I'm gettin' tipsy, sip on Bacardi
Then she came in, lookin' all naughty
I'm a playboy, but look like I'm Cardi, Cardi
Where is the party?
(Sip, sip) Sip on Bacardi
Where, where, where is the party?
(Sip, sip) Sip on Bacardi, cardi

B-B-B.O.S.S. tings
I could change your life with just one ring
'Cause my mate's crazy with the whole ching-ching
Talkin', talkin' BOSS tings
When we walkin' through your hood, we look like kings
I could change your life with just one ring
'Cause my mate's crazy with the whole ching-ching
