

Day Uno

Day1

Yeah
Call me day uno, mm
Oh yeah, yeah
Oh yeah, yeah
Call me day uno
And you wanna know who I am
But baby, who knows?
And I'm down for the gang all day
So baby you know
When it's time to ride I'll slide
Yeah you know, I know you know
Yeah, yeah, yeah

Call me day uno
And you wanna know who I am
But baby, who knows?
And I'm down for the gang all day
So baby you know
When it's time to ride I'll slide
Yeah you know, I know you know
Yeah, yeah, yeah

Yeah you know, baby
You should know that I'm crazy, yeah, yeah
Baby, you be on my mind so lately, yeah, yeah
Baby, you should know that I'm crazy, yeah, yeah
Baby, baby
Brand new whip, I want a Mercedes
Your money shit, why you doin' 80?
All this hate don't really phase me
Do one show and then they pay me
In the booth like who are these ladies?
They just lookin' like they want my babies
Ratchet ho' girls, lookin at my cady
And I been makin a killin lately
Know I'm blowing up this summer
They see my moves and then they water
Do this shit for my Mother
And on my own I had the hunger
Know I'm blowing up this summer
They see my moves and then they water
Do this shit for my Mother
And on my own I had the hunger

Call me day uno
And you wanna know who I am
But baby, who knows?
And I'm down for the gang all day
So baby you know
When it's time to ride I'll slide
Yeah you know, I know you know
Yeah, yeah, yeah
Call me day uno
And you wanna know who I am
But baby, who knows?
And I'm down for the gang all day
So baby you know

When it's time to ride I'll slide
Yeah you know, I know you know
Yeah, yeah, yeah

Call me day uno
