

Limit

Day1

Push me to the limit (Yeah)
Told my Mumma Ima sinner (yeah yeah)
So I gotta go and get it (Yeah)
So I can tell her ima winner (Yeah, yeah)
If I ever catch a body (Body)
Promise there will be no witness (Yeah yeah)
Tell my Mumma I'm sorry, sorry
If I ever turn to a killer (Yeah yeah)

I tell her I'm sorry (Yeah)
Chose the wrong path and I made you worried (Yeah yeah)
I don't what to do for that
They ain't never seen a gun so what they shooting at?
I just wanna make them funds so I'm moving packs
Had to hop off the drugs I'm refusing that
Longtime was abusing that
Find out that I'm doing that I'm choosing that (Yeah yeah)
What it is love when I'm losing that
It's true the fact that I'm really losing that
Oh yeah (Yeah yeah yeah)

Can't tell what's right or wrong
Sometimes I feel so alone
Hard for me to write this song
Mumma always told me soldier on
Always told me to

Push me to the limit (Yeah)
Told my Mumma Ima sinner (yeah yeah)
So I gotta go and get it (Yeah)
So I can tell her ima winner (Yeah, yeah)
If I ever catch a body (Body)
Promise there will be no witness (Yeah yeah)
Tell my Mumma I'm sorry, sorry
If I ever turn to a killer (Yeah yeah)

I made some mistakes
Hard to conversate
So much food that I'm sharing on my plate
And I'm steady making moves, got these haters on my case
Kill to be in my position
But they last in the race
Fuck the opposition
They don't know what it takes
Clutched and excelled
And I never had a break
Now it's Valentino, stepping through the crowd in the rave
Now the whole block reppin' 'cause they proud of the place

Yeah yeah, if I made it my guys made it too
Nah all-day all-day

Can't tell what's right or wrong
Sometimes I feel so alone
Hard for me to write this song
Mumma always told me soldier on
Always told me to

Push me to the limit (Yeah)
Told my Mumma Ima sinner (yeah yeah)
So I gotta go and get it (Yeah)
So I can tell her ima winner (Yeah, yeah)
If I ever catch a body (Body)
Promise there will be no witness (Yeah yeah)
Tell my Mumma I'm sorry, sorry
If I ever turn to a killer (Yeah yeah)
