

## Be A Man

DAY26

Ooohh  
Said I'm so sorry, baby  
I never meant to hurt you, no  
Harmony  
I do the best I can  
Hear me out  
It's not that I don't love you  
'Cause I do

There was a time  
I thought I'd never get it right  
A different girl in my bed every night  
Girl, there was no surprise  
I couldn't lock it in with no one  
When love switched up the outcome

When you  
Came into the picture, things got different  
Changed up my ways and turned you into the Mrs  
Now baby, I know where we stand  
Not saying that I'm perfect, but I'm doing the best I can

Sometimes a man is just gonna be a man  
And do some shit his girl don't understand  
And love will always never go as planned  
Guess we're a victim of our circumstances  
You'll never know unless you take a chance  
And leave our fate in destiny's hands

Tried to comprehend, sometimes a man gonna be a man

Harmony  
A man does what he's supposed to  
To show you that he's true  
A shoulder you can cry on  
A man gonna be there for you

In good times  
And the bad  
A man gonna love you back  
So if ever that I break your heart

I'll get back on track  
So believe in me when I say that I love you  
And that is something that will never change

Sometimes old habits die hard  
But baby, I'm gonna try hard  
To prove to you  
That I am not the same

Sometimes a man is just gonna be a man  
And do some shit his girl don't understand  
And love will always never go as planned  
Guess we're a victim of our circumstances  
You'll never know unless you take a chance  
And leave our fate in destiny's hands

Tried to comprehend, sometimes a man gonna be a man
