

On my way
Oh, woah

Hop up in the bed
In the bed, in the bed, oh
Kisses from ya neck to ya backbone
Tellin' me in Spanish, "dame beso"
Baby, I'mma lay
I'mma lay you down
Oh no, no

I just wanna know one thing (one thing)
Can you turn that little thing around?
Can't you see, you're so pretty, baby?
Oooh, wooo
You know what it is
Ya know what it is

Don't waste my time
Oh no, no
Waste my time
'Cause if you wanna go, I'll take you there

Oh no, no
You know what it is (know what it is)
You know as soon as I get home
You ain't gotta worry 'bout nothing (nothing)
I'm about to take your body on a ride
Don't play with me
'Cause if you wanna go, I'll take you there

(Hol' up) I just really wanna say you're fine, oh
(Hol' up) I just wanna hit it from behind, oh
(Hol' up) Ain't no nigga gon' fuck you like I fuck you, babe

Why you move your legs like that, gotta have it
Ain't gon' hit it like a jackrabbit
I'mma be in it slow like molasses
Know you feel it all up in yo belly
I'mma pull out when it's 'bout to happen (yeah, yeah, yeah)
Where you tryna go?
You cannot run
Woah

Don't waste my time
Oh no, no
Waste my time
'Cause if you wanna go, I'll take you there
Oh no, no

You know what it is (you know what it is)
You know as soon as I get home
You ain't gotta worry 'bout nothing (nothing)
I'm about to take yo body (nothing!) on a ride
Don't play with me (don't play with me, girl)
You know I'll take you there

(Hop up in the bed, in the bed, in the bed, oh)
(I just really wanna say you're fine, oh)
(Why you move your legs like that, gotta have it)
(Hol' up)
(Cause if you want, I'll take you there)

(Hop up in the bed, in the bed, in the bed, oh)
(I just wanna say you're fine, oh)
(Why you move your legs like that, gotta have)
(Hol' up)

Don't waste my time
Oh no, no
Waste my time
'Cause if you wanna go, I'll take you there
Oh no, no

Ya know what it is (you know what it is)
You know, as soon as I come home
You ain't gotta worry 'bout nothing (nothing)
I'm about to take your body on a ride
Don't play with me (don't play with me, girl)
You know I'll take you there

(Hop up in the bed, in the bed, in the bed, oh)
(I just really wanna say you're fine, oh)
(Why you move your leg like that, gotta have)

You know as soon as I get home
