

It started out as only one
Just a little fib
I thought I got away with
But my conscience wouldn't let me be
And its bringing out the honesty
Girl look me in my eye, cuz im tired of drowning in these lies
Listen to me

I lied to you
But im so ready to tell the truth
And be so honest, be honest, be so honest
Cross my heart, hope to die, swear to God its true grl
Im ready to be so honest, be so honest
Im ready to be so honest (with you)

Now girl I kno I risked the chance
Of u walking away from me
And never talking to me again
But you need to know who I am
Cuz looking at ya pretty face
Lookin so damn naive and I kno its all becuz of me .
Damn why did I lie?

I lied to you
But im so ready to tell the truth
And be so honest, be so honest, be so honest
Cross my heart, hope to die, swear to God its true girl
Im ready to be so honest, so honest
Im ready to be so honest (with you)

I swear to tell the whole truth
And nothing but the truth (0o0o0o)
So help me GOD, (god my heart)
Im turning myself in
This is my first offense
Have mercy on me
Im sorry I lied

I lied to you
But im so ready to tell the truth
And be so honest, be so honest, be so honest
Cross my heart, hope to die, swear to God its true girl
Im ready to be so honest, so honest
Im ready to be so honest (with you)
