

I Won't

DAY26

You knew exactly what was going on when we first kicked it off
I told you that I had a girlfriend but you still went along
Wearing sexy clothes trying to seduce me
And girl, I must admit I was into it
Next thing you know we started getting crazy
We're all hot and sweaty
But we both know what's going down

I'm pulling on your hair
While I'm working on your back
Making you moan
Switch positions you on top
Screaming baby don't you stop
Losing control
Said you never had somebody put it on you like this, like this
And now you caught feelings, babe
And you want me to leave, my babe
But I won't, I won't...

Sometimes I think it's time for us
To go our separate ways, no
But then I remember all the times
We spent lately, baby
And I say to myself I can't think without you
Started thinking about my girl
How I can't breath without her
Every time I try to let you know
That I can't take no more
Girl, you know what starts going down

I'm pulling on your hair
Working on your back
Making you moan
Now switch positions you on top
Screaming baby don't you stop
Losing control
Cause you never had somebody put it on you like this, like this
And now you caught feelings, babe
And you ask me to leave my, babe
And my answer to you is I won't
I won't...
