If It Wasn't For You

I could be homeless goin' to sleep on the concrete
Pan handlin' tryin' to get change for what I need
Or lookin' for a bridge when my cardboard gets soggy, so I could stay dry
I could be losin' my mind with nobody to talk to
Lookin' in the mirror tryin' to figure out whats true
When I had no di-rection, you showed me more then my reflection

When it rains and pours your life's a chore, and I just cant take no more
When every where's a closing door, your the one I'm looking for (if it wasn't for you)
I'd be livin' a lie thinkin' whats wrong whats right (if it wasn't for you)
I'd be servin' time in prison in my own mind(if it wasn't for you)
I'd be out in these streets tryin' to find a way to make ends meet (if it wasn't for you)
I gotta thank you if it wasn't for you

Everyday is a struggle to wake up
Livin' with the stress in my life it builds up
It's like a mountain to high to climb up
If somethings at the top does anybody no what
Cause I dont know, its such a long road
For every step I'm takin' I wanna thank you
For never lettin' me fall

I prolly wouldn't know, what I know now, I prolly wouldn't be where I am now
Hmmm you found a part of me that I never knew about you gave me hope when in doubt yea
And I thank you for everything you've done for me, (hey) and now I see its because of you

If it wasn't for you
If it wasn't for you(if it wasn't for you)
If it wasn't for you(if it wasn't for you)
If it wasn't for you(for you, if it wasn't for you)
If it wasn't for you, I really really really love my co-star
If it wasn't for you
If it wasn't for you
If it wasn't for you
If it wasn't for you
