

Lose Control

DAY26

I'm sorry
I didn't mean to hurt you, baby
No! I really didn't!
I'm so sorry!
I just want you to sit down for just a minute
Let me talk to you!

Last night we had an argument
You told me you love me.
All the things that I said, I never meant, no baby!
I didn't mean to make you cry.
I didn't mean to make you say, 'bye, bye, bye'

Baby, won't you let me look inside your soul (oh my baby!)
Let me make you lose control (let me make you lose control, control)
Let me be the one you need (I want to be the one for you, girl)
Baby just come to me!

(Just come on, on)

Now, tell me girl what you want from me!
Whatever it is you desire, I wanna give my baby.
I wanna feel your body yearn, uh, uh
All your softest spots I plan to learn.

Baby, won't you let me just kiss you down.
(Let me kiss you down, baby)
Make you spin around and around
(I'll make you spin around, and round, and round!)
Flip you girl from left to right.
If you don't mind
(If you don't mind)
Baby, can I just spend the night
(let me spend the night, yeah, yeah)
Wanna lay, let me lay, yeah!

Yeah, you know what I'm talking about, baby
I never meant to hurt you
I never wanted to see you cry
(Don't wanna see you cry, girl!)
So I'm asking you now, baby
I'm asking you, I'm beggin you
Just give me one more chance, baby!

Baby, won't you let me just kiss you down
(Let me kiss you down)
Let me kiss you all over your sweet body, baby
Make you spin around and around
(I wanna make you, I wanna make you lose control)
(Flip you girl from left to right)
I'll take you back if you don't mind, if you don't mind
(If you don't mind)
If you don't mind, baby,
can I just spend the night?
Baby, baby, let me turn you on.

Can I turn you, can I turn on

(Oh let me turn you on)
Till the break of dawn, baby
Oh, let me turn you on,
Oh, let me turn you on,
Till the break of dawn, baby
Don't you know, don't you know,
Some time all I need you to say is
Oh, oh, oh
