

# Made Love Lately

DAY26

Come inside, I know what you want  
Yeah, wait, before we do that  
I just wanna tell you something  
Jim Beanz, Day 26, are you listening?

Hello lady, I'm glad you came  
I can tell you we're on the same page  
You want it like I do, ready to get into  
Some good love  
I'll let you have it, I'll make you last it  
You never know what's gonna happen next  
This ain't your usual thing that you used to  
Type of sex

Baby I love the way that you touch me  
Tonight we gonna set the stage yeah  
I just can't get enough, baby I'm burning up  
But I just got one question for you baby  
Tell me, have you made love lately?  
I just wanna know if we can take a moment  
To get it right, We got all night  
Have you made love lately, tell me?  
Have you made, tell me?  
Have you made, tell me?  
Have you made love?

I just begin to, experiment you  
Baby I think I found the formula  
There's so much energy, I feel the chemistry between us  
From your reaction, I see the passion  
This whole experience is something new  
Long as I serve my purpose, wanna be of service to you, baby

Baby I love the way that you touch me  
Tonight we gonna set the stage yeah  
I just can't get enough, baby I'm burning up  
But I just got one question for you baby  
Tell me, have you made love lately?  
I just wanna know if we can take a moment  
To get it right, We got all night  
Have you made love lately?  
Have you made?  
Have you made?  
Have you made love?

See now that I've got you here  
There's not too many things that I wanna say  
Actions speaks so much louder than words babe  
I'm telling you

Cause I just wanna take my time  
And girl I wanna do you right, oh right  
There's one thing that's been on my mind  
Have you baby, have you made love  
Have you made love, I just wanna know  
Have you made love, have you made love

Have you made love lately  
I just wanna know if we can take a moment  
To get it right, I gotta know  
Have you made love lately, tell me  
Have you made, have you made, have you made love
