

# Told You

DAY26

It's been a while  
Since I've  
Had the pleasure of seeing your face  
So many times I've thought of reaching out to you  
You knew me when I was in a different place

I know before I played games with your heart  
I admit I made mistakes  
But that's not the man I am today  
You knew I wasn't ready  
But that was before  
And I wasn't sure

Baby I told you (Baby I told you)  
You'd be the one (One)  
I would give my heart to (Give my heart to)  
Told you it would be you and only you  
I won't go back on my word  
You don't have to be cold (No you don't)  
Please remember, love  
That's what I told you

You can let your guard down  
Girl, I'm not here to play games  
Been a while since I seen you smile  
It's about time for a change

Oh, so listen  
I know before I played games with your heart  
I admit I made mistakes  
But that's not the man I am today  
You know I wasn't ready (I was a player)  
But that was before (But that was before)  
And I wasn't sure

Baby, I told you  
You'd be the one  
I would give my heart to (Give my heart to)  
Told you it would be you and only you  
I won't go back on my word (I won't go back)  
You don't have to be cold (Oh, yeah)  
Please remember, love  
That's what I told you

That's what I told you

Gave up all my player ways, I'm really changed  
(I'm really changed, for the better, ooh)  
Gave up all my player ways, I'm really changed  
(Now I got it together)

Baby, I told you (I told you)  
You'd be the one (The one)  
I would give my heart to (Give my heart to)  
Told you it would be you and only you  
I won't go back on my word  
You don't have to be cold (You don't have to be)

Please remember, love (Please remember)

Baby, I told you  
You'd be the only one (You'd be the one)  
I would give my heart to (Give my heart to)  
Told you it would be you and only you (Ay!)  
I won't go back on my word (I won't go)  
You don't have to be cold  
Please remember, love  
That's what I told you

And that's what I told you  
What I told you
